Dear Hal,

You have the potential of being a good student, why not work up to that potential. Always strive for perfection and never be satisfied with second best. Much luck.

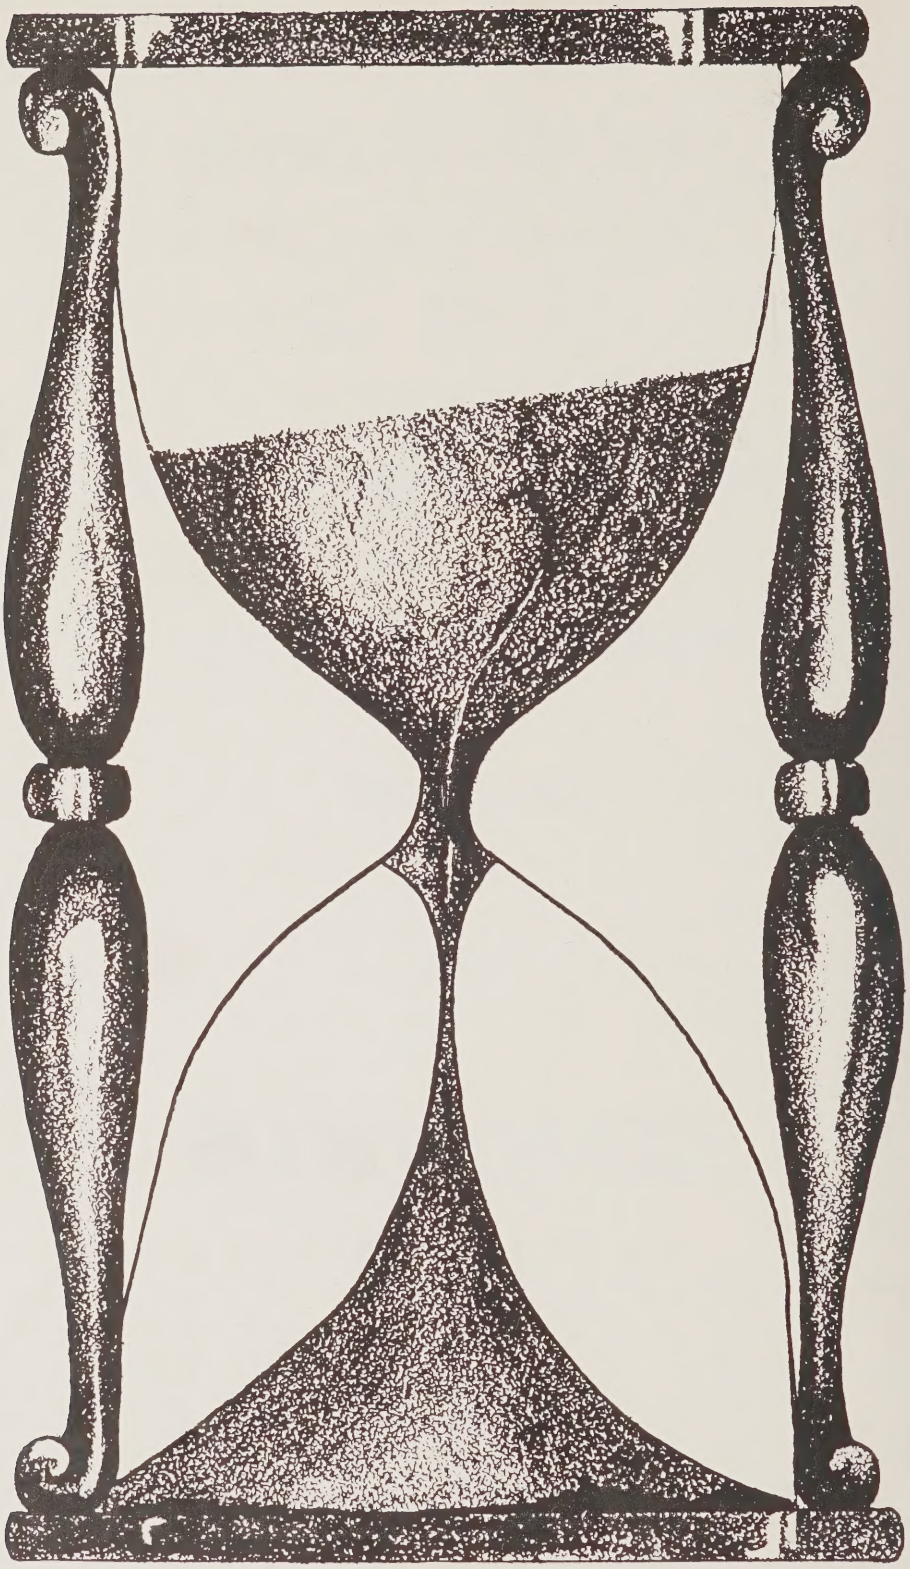
THE

SENIOROGUE

'1972'



FOREWORD

The class of 1972 gives you this edition of the SENIOROGUE. As each hour has passed, we have learned, shared, and grown together. Laughter, tears, good times, and sad times have gathered in our stockpile of memories. We are thankful for each precious second of today; we will strive to live each day to the fullest, accepting disappointments along with happiness. As we look to tomorrow, we see the hourglass giving us a bright future, allowing us to live and love to the fullest.

When we share the memories encased in this book, we will remember the time of our life, 1972.

TIME

To everything there is a season;

And a time to every purpose under the heaven:

A time to be born and a time to die;

A time to plant and a time to pluck up that which is planted;

A time to kill, and a time to heal;

A time to break down, a time to build up;

A time to weep, a time to laugh; A time to mourn and a time to dance;

A time to cast away stones, a time to gather stones together; A time to embrace, a time to refrain from embracing;

A time to get, and a time to lose; A time to keep, and a time to cost away;

A time to rend, a time to sow; a time to keep silence, and a time to speak;

A time to love, and a time to hate; A time of war, and a time of peace.

DEDICATION

The members of the class of 1972 dedicate this issue of the Seniorogue to Mrs. Kate Chaffin. Having taught most of us in the ghird grade, she was instrumental in making each of us a little prouder and more appreciative of what we have learned.

1963 was a hard year for everyone; when our school was gutted by fire, we found ourselves situated in the kitchen of the Home Economics room. Mrs. Chaffin's warmth and understanding guided us through that unfortunate year. We will always remember the smile which lights up Mrs. Chaffin's face, and her kind, cheerful heart.

As we go our separate ways in life, we wish to express our gratitude to Mrs. Chaffin; she is the kind of person who makes life a beutiful experience.

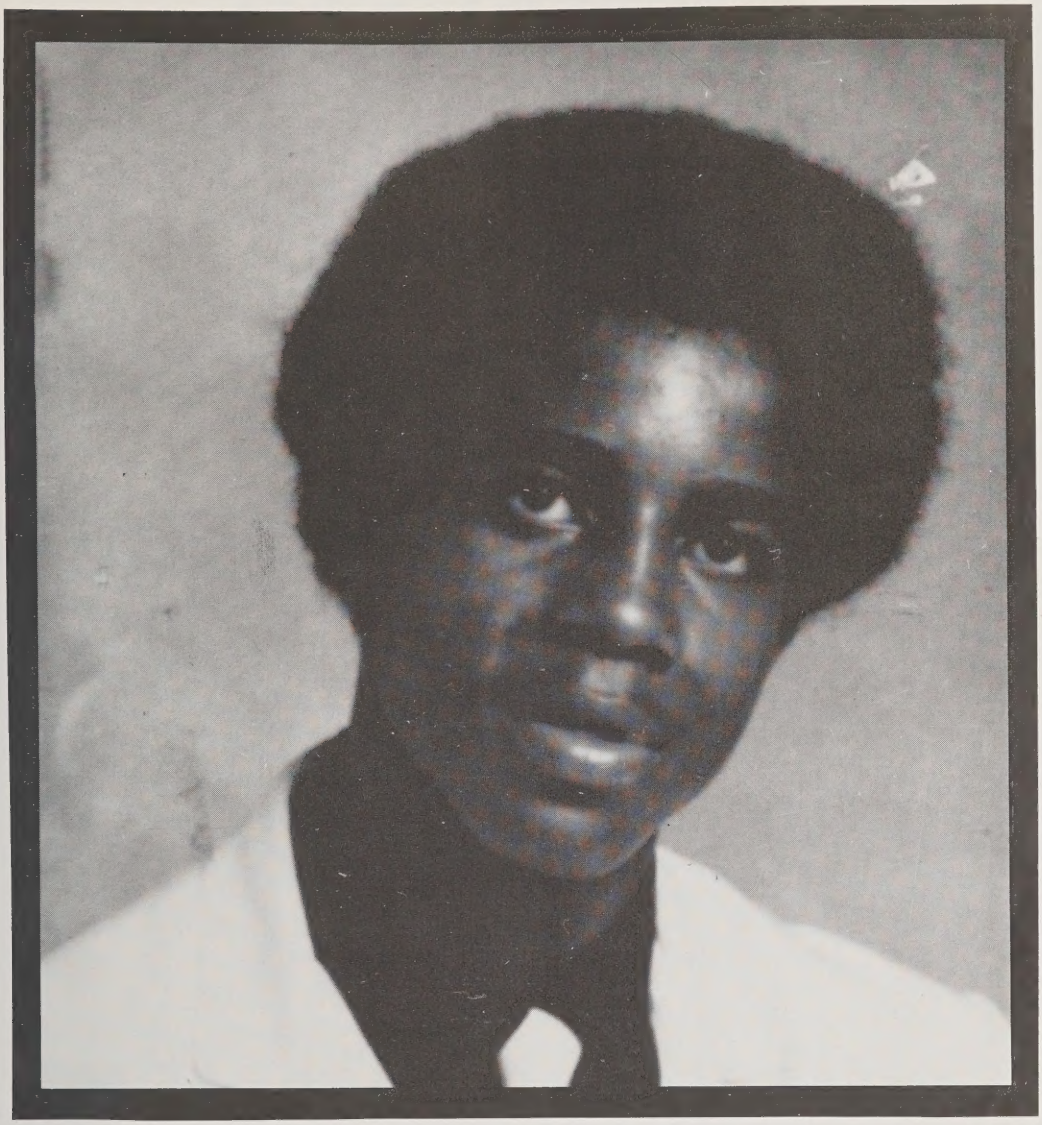
A TIME TO BE BORN, AND A TIME TO DIE



The Class of 1972 remembers James Chalmers who was a part of the intricate puzzle of our lives. His death on April 22, 1971, caused us to contemplate. We will never understand, but perhaps we can live fully enough to accept our sorrows, as well as our joys. James Chalmers had a time to die, and he met death honorably. Let us hope that each of us will be able to greet death honorably.

MOTTO: We do not forget the past nor dwell on the present; we look toward the future.

CLASS HISTORY

Our class was together in one room when we finally made it as Freshmen. Mrs. Godfrey and Mr. Wall were our homeroom teachers. Can you imagine Mrs. Godfrey on one side of the room and Mr. Wall on the other side of the room, calling the roll at the same time? Forty-one was our strong number in the memorable year of 1968.

Mrs. Cannady and Miss McCullen cried all summer long when they found out we were their homerooms. Mr. Booth, the French teacher, was our victim that year. We drove him crazy by always hiding his briefcase. The day we had the snowball fight in his room will never be forgotten! We ended our sophomore year with a big cookout, given by Mrs. Cannady and Miss McCullen.

As juniors we were together again with Mrs. Godfrey. Happy and raring to go, we sold $800.00 worth of magazines to pay the expenses of the our prom. Many happy hours were spent with Mrs. Godfrey, "sweating it out." Times weren't always so easy for us; we were shocked by the death of James Chalmers, and we shall always remember him. We left our junior year a little more mature, and very determined.

With few changes, we entered our last year at Broadway High School. Only 27 of us remained, quite a difference from our strong number of 41. Our senior year fills us with the knowledge that we are on the threshold of a new phase of our life. We must leave and go our separate ways, but even then somewhere in our hearts we will always carry our love for "Miss Penny" and our love for each other everywhere we go. God bless us everyone!

JOSEPH AMERSON has gone on Flip Wilson as a comedian. (The Devil made him do it!)

DEBBIE ATKINS is now married with five little Davis' running around.

CHARLOTTE AVENT is now employed at the White House typing for . . .

J. L. THOMAS, the newly installed President of the U. S.

PAT COONE married RacCoon and has ten little coonies at the pond.

MIKE CRESS has taken over ownership of Roxanne Mills. "No trespassing allowed."

ROY DONALDSON has now taken Lew Alcindor's place on the Milwaukee Bucks. He fouls out in the first half of every game.

JOHNNY FAIRCLOTH is now the editor and chief of the PROGRESSIVE FARMER. Keep those cards and letters coming folks.

ROBBIE HARRINGTON has license to fly but not to drive (she owns a poultry farm).

MARTHA HOLT has been married three times and now has decided to be a pharmacist.

ROBERT JONES is now fire chief in Broadway when he is not driving a Trailways Bus.

DEBBIE KELLY is now racing Monte Carlos and owns her own body shop.

SHELIA PATTERSON has changed Johnny's Restaurant to McDonald's, Inc.

TERESA PATTERSON is now going with Alton instead of Jimmy. Hang in there Jimmy.

BUDDY SUMMERLIN is now the talk of the town. He is the Mayor of Broadway.

CATHY THOMAS is now Head Nurse at Lee County Hospital.

DANNY THOMAS flunked the 12th grade because he always slept in Family Living and is still there sleeping.

GARLAND THOMAS is the new Colonel Sanders. "Is that chicken really finger-lickin-good?"

JIMMY YARBOROUGH now owns Thomas Oil Company and has his 18 year old daughter as his secretary.

ACTIVITIES

A TIME TO LAUGH . . . TO WORK . . . TO HAVE FUN . . . TO ENJOY LIFE.

The FBI (famous Broadway idiots) worked up a lot of steam at their first work session.

Bedtime on Walnut Drive means departure time for all male companions.

We can't tell where Miss Penny begins or ends.

All babies want a bottle before going to sleep.

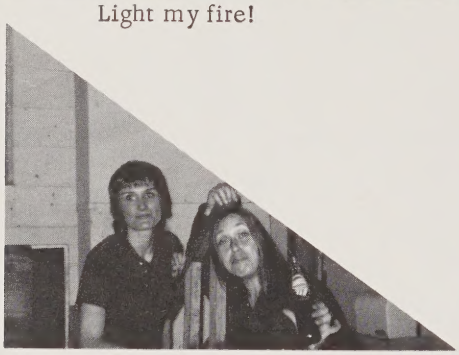
Time out for coffee and doughnuts which were furnished by the Literary Club.

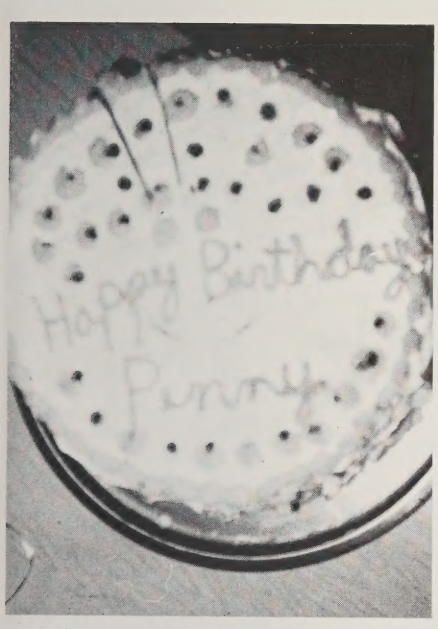


One for the money; two for the show . . .

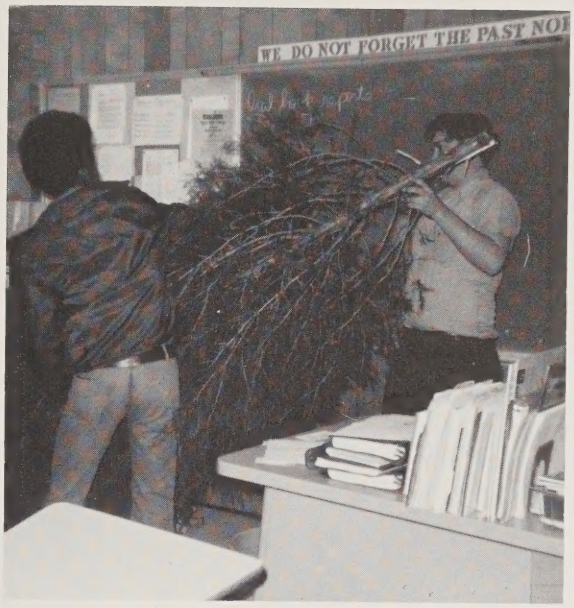
Mr. Jim Hall, State Commissioner, visits backstage.

THE VAGABOND PLAYERS; WE ENTER INTO THE WORLD OF CARL SANDBURG . . .

HAPPINESS IS: BIRTHDAYS! — AND CHRISTMAS! — AND FOOD!

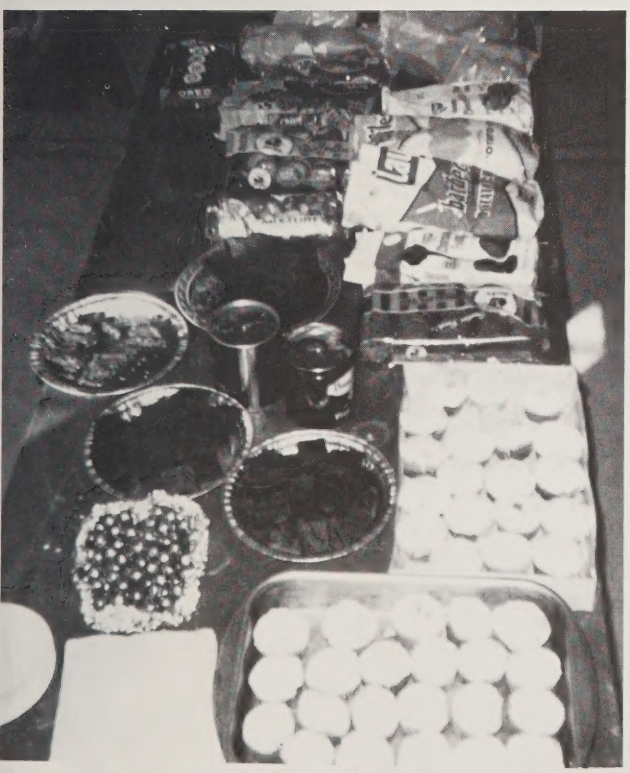


Miss Penny is sweet sixteen, but has never been kissed?!

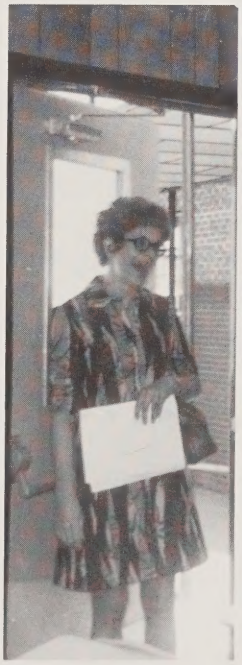


"Santa Claus is coming to town!"

"I bet you haven't got one of these!"



"The LAST Supper!"



"You remembered!"

Problem: How to divide one cake into 27 pieces.

Frosty really was alive!

Ronnie and David ride the reindeer.

"Okay Robert, the coast is clear. Now we can paint the mustaches on the angels."

Angels in disguise !!!

Guess Who is doing her thing!!

Martha Jo and Shelia hold the front end down on the Literary Club float.

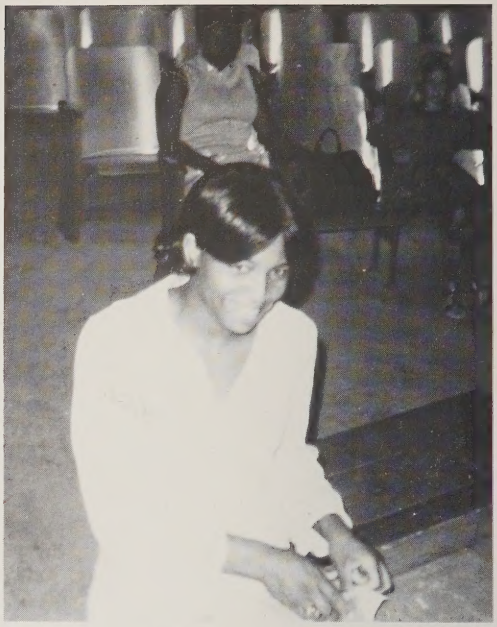
Children's bliss: first sight of Santa !!

Mayor parades with future voters!

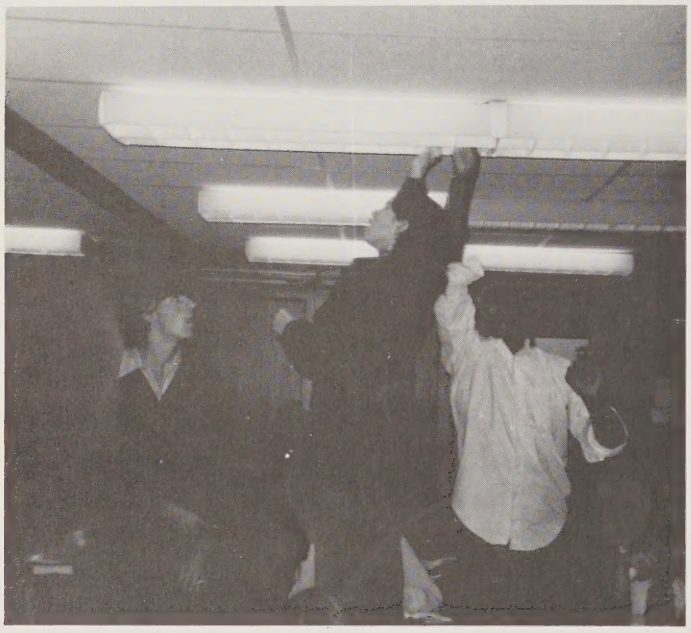
Jimmy erases it before Teresa sees it !!

Basketball players keep their hands up!

"Teresa, what is Jimmy grinning about ?"



Look out fellas, Nadine has turned on the charm again!

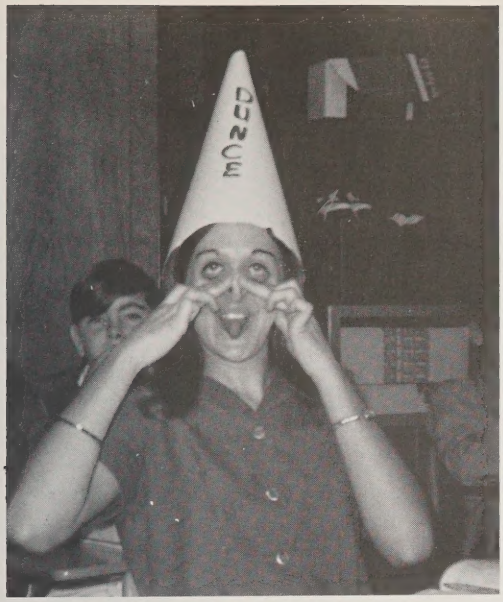


"So that is where they hid the bottle !!"

"Where is the fire? Where's the fire?"

She must have ate the whole thing!

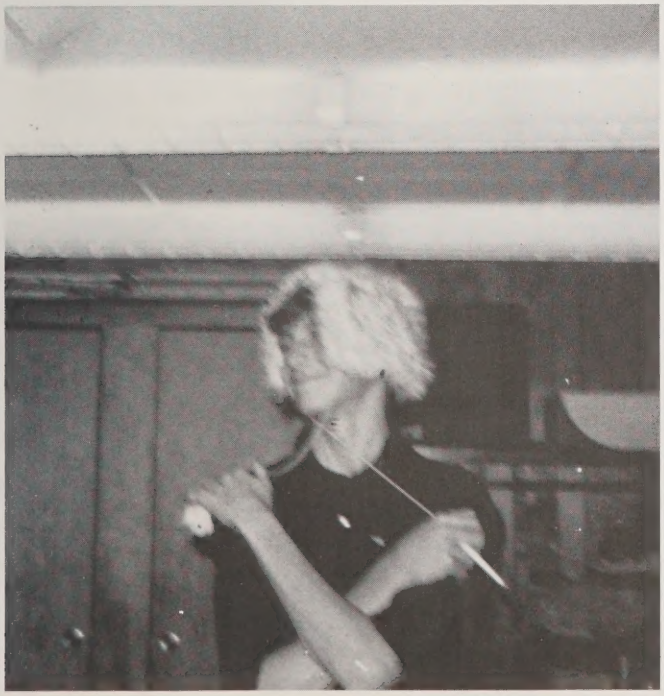
"What are Sophia and Robbie up to now?"



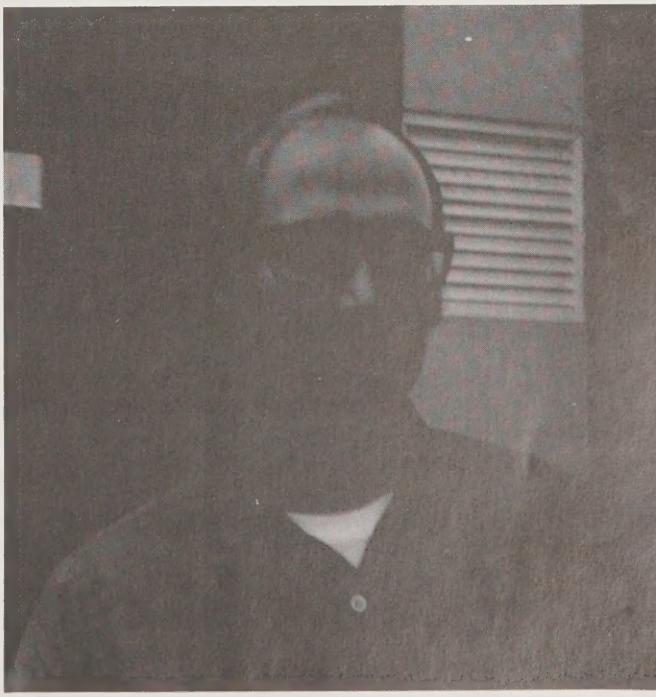
"Stoned!"

"The caught us again, Sophia !!"

"We've only just begun to live."



"Oh, for the love of a Coone !!"



"The good, the bad, and the ugly!"
